TOWN WARRANT

To the inhabitants of the Town of Bartlett in the County of Carroll, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Bartlett on Tuesday, the Ninth day of March next, at ten o'clock in the forenoon and until six o'clock in the afternoon to act upon the following subjects:

ARTICLE 1. To choose necessary town officers for the ensuing year.

ART. 2. To see if the Town will vote to raise and appropriate the sums of money called for in the budget as prepared by the selectmen.

ART. 3. To see if the Town will vote to authorize the selectmen to borrow necessary sums of money in anticipation of taxes.

ART. 4. To see if the Town will vote to authorize the selectmen to distribute the blank inventories at the time they examine and appraise the property to be taxed.

ART. 5. To see if the Town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the Town through tax collector's deeds.

ART. 6. To see what action the Town will take about selling the Defense Building, so called, in Bartlett village, to the Francis P. Murphy Post No. 5386, V.F.W., of Bartlett. Said transfer if accomplished, to be for the sum of One Dollar and to contain the provision that; in event said V.F.W. Post shall ever dissolve or lose their charter, the property shall revert to the Town.

ART. 7. To see what sum of money, if any, the Town will raise and appropriate to maintain a Town dump, or dumps.

ART. 8. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars for improvements and maintenance of the public baseball grounds, at Bartlett village.

ART. 9. To see what action the Town will take in regard to the purchase of two portable Fire Pumps and necessary equipment, one pump to be located in the village of Bartlett, and one at Glen, and to see what sum of money the Town will vote and appropriate for the purchase of same.

ART. 10. To see if the Town will vote to abandon the present method of election of Town Officers as provided for in Chapter 26 of the Public Laws, relating to the election of Town Officers, and revert to the old method of electing Town Officers during the town meeting.

ART. 11. To see if the Town will vote to give the Selectmen authority to appoint Road Agents, under authority of Paragraph 6, Part 16, Chapter 188, of the Public Laws.

ART. 12. To see if the Town will vote to Raise and appropriate the sum of Five Thousand Dollars as a deficiency appropriation.

ART. 13. To transact any other business that may legally come before this meeting.

O. R. BURDWOOD
G. L. HOWARD

FOREST FIRE PROBLEM SERIOUS

The year 1947 was one of the worst periods of drouth and forest fire occurrence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs

for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available manpower in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

STEPHEN H. BOOMER,
District Chief

1947 Fire Record: Number of fires, 0; acreage burned, 0; number of fire permits issued, 31.

School Warrant

To the inhabitants of the School District in the Town of Bartlett qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 9th day of March, 1948, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
7. To see what sum of money the district will vote to raise and appropriate for insurance for the ensuing year.
8. To see what sum of money the district will vote to raise and appropriate for the purchase of equipment and supplies for the Lunch Programs at Bartlett and Lower Bartlett.
9. To act upon any other business that may legally come before this meeting.

Given under our hands at said Bartlett this 19th day of February, 1948.

Report of Superintendent

To the School Board and Citizens of Bartlett:

The interiors of the high school and grammar school at Bartlett were repainted last summer, and new lights installed in the high school. This work was badly needed, and the new colors add a great deal to the attractiveness of the rooms. Blowers were installed in the Gymnasium, which has made possible more adequate heat for games and other activities.

This winter the Upper Bartlett PTA is providing a hot dish for the children at the grammar school. The Lower Bartlett PTA is continuing the excellent lunch program started last year. These community school projects are important because they provide food for the children, and they bring the parents to the schools. I hope that every parent will visit the schools and that the schools and parents will be able to work with complete understanding for the general education of the boys and girls. The schools are as much concerned with the pupil's physical, emotional and social development as with his intellectual progress. All four must grow together to have a normal child, and it is necessary that the school and home work together to get the best results. I am anxious for your suggestions for the improvement of the schools and am pleased with the good work carried on by both Parent-Teacher groups in Bartlett.

The high school now has three teachers as it had prior to the War. Five typewriters were purchased, and a non-credit course in typewriting is offered to all pupils who want to learn typing. The headmaster and teachers are endeavoring to make the work as practical as possible. The cost for this year for teachers, text books and supplies is approximately $200.00 per pupil; the average for the State last year was $138.00 per pupil, and this year will be somewhat higher.

A Music Supervisor is working one day a week in the schools of Bartlett. This should permit the pupils to learn new

songs and the fundamentals of music. It is a type of education which should be valuable to every child and should provide a means of enjoyment for the person's entire life.

The Lower Bartlett school should be painted both inside and out before the paint is too badly worn. The other buildings are in good condition. Heat would be saved if the grammar school at Upper Bartlett were to be "capped" with insulation.

The budget which is recommended again shows an increase. The same condition exists in other districts with increases ranging from 15 to 20 per cent over last year's budget. It is important that we secure as much in return for our tax dollar as is possible, and Bartlett appears to be doing about as well as the average district in New Hampshire.

Respectfully submitted,

HAMMOND YOUNG,
Superintendent of Schools
